NEWSLETTER | JUNE 2023

Join us for our second community conversation event on Friday 16th June to view our final proposals for the rejuvenation of Alexandra Theatre.

### What's been happening?

We are excited to invite the local community to our second community event, where we will be providing an update on our final proposals for Alexandra Theatre. A planning application is being submitted to Arun District Council following our first community event in March, where the feedback showed support for the rejuvenation vision.

We would like to share the finalised plans and designs with you at our second community event, where you will have the opportunity to speak with members of our team about how our proposals have evolved into the final scheme.

**Where:** Alexandra Theatre, Belmont Street, Bognor Regis, PO21 1BL

**When:** Friday 16<sup>th</sup> June 2023

**Time:** 1pm – 7pm

There will be a range of project experts available on the day, which will be an opportunity to learn more about the finalised plans and designs, and ask questions.

## Former Brewers Fayre site update

As well as progressing the rejuvenated theatre, we are also moving forward with plans and designs for the rest of the Regis Centre. You may know that Whitbread surrendered the long lease of the former Brewers Fayre pub site. The District Council has now taken back control of this site and are exploring options with the Bognor Regis Business Improvement District (BID) for the temporary reuse of the external terrace areas for the public over the summer season.

The Council is also looking at a range of options for the short term and long term future of the former pub site. We hope to be able to provide some further information on this later this year.
