NEWSLETTER | MARCH 2023

## Join us for a community conversation on our proposals for the rejuvenation of Alexandra Theatre

We are excited to invite you to our community conversation event that we are hosting to discuss our vision for the rejuvenation of Alexandra Theatre.

Alexandra Theatre is run by Arun Arts, a registered charity based in Bognor Regis. Our plans, brought forward in partnership with Arun District Council, will look to rejuvenate the theatre and provide a range of improved facilities.

## Come and see us!

You're invited to join us to discuss our proposals as we share with you our emerging vision for the theatre in our first public engagement event.

**Where:** Alexandra Theatre, Belmont Street, Bognor Regis, PO21 1BL

**When:** Friday 17 March 2023

**Time:** 1pm – 7pm

There will be a range of project experts available on the day, which will be an opportunity for you to learn more, ask questions and share your views with us.

## Our Vision

Our proposals will secure the future and transform our beloved building into a fit for purpose, state of the art venue for our audiences, community and cultural partners to enjoy for years to come.

Improvements include:

- Refurbishment of the main auditorium - improved sightlines, more legroom, increased capacity, displacement air systems and new technical infrastructure;
- A fully accessible double height foyer/exhibition space with bar & café facilities connected by two passenger lifts;
- Five new airy studios with sprung floors and technical facilities;
- A striking contemporary and transparent façade spilling out on the new Place Saint Maur des Fosses.

## Arundel Arts

Arundel Arts aims to provide an exciting range of arts and entertainment events and programmes at the Alexandra Theatre that are inclusive and diverse, inspiring audience groups to engage with new arts and activities. This, combined with a mixture of wider community activities will deliver a welcoming space and ensure the local community benefits from excellent arts education, quality entertainment and involvement.

## Your views

We look forward to hearing your views on our emerging plans, as this is key to making sure we deliver a rejuvenated theatre that increases its use and best meets local community need.

You can provide feedback by attending our community conversation event, where you will have the opportunity to speak to members of the project team and let us know your thoughts.

If you are unable to attend, don't worry! This event will be the first in a series of public engagement events and there is plenty of time to share your views before a planning application is submitted to Arundel District Council later this year.

We are also launching a project website from 17th March, where you can access information on the vision for the site and provide your views. This website will be updated as we evolve the proposals for the theatre.
